

CAROLINA GOLF ORGANIZATION

SPRING TOURNAMENT

We are excited to have A Place for Heroes as our charity partner for this tournament! Their mission is to provide an encouraging and safe environment for at risk Heroes through affordable housing as they transition back into the community and regain ownership of their lives. This charity also supports Veterans with services for those recovering from alcohol/substance abuse, those living with HIV/AIDS, and those dealing with mental health related illnesses. For more information, visit www.aplaceforheroes.org. A portion of the proceeds will be donated to A Place for Heroes and will be used to help fund the building of a Veteran housing community in Charlotte, NC.
